To Whom It May Concern;

Thank you for taking the time to listen to a brand new song by one of Edmonton's finest singer/songwriters. Roland Majeau is a veteran of the Edmonton music scene. But his latest release is, if not his finest, certainly his most poignant.

Magic 99 added the song "When Superheroes Die" two months ago. Since that time, 60 spins later, it has become the most requested song on the station...more than Michael Buble, Diana Krall and Norah Jones. I think that, alone, speaks volumes about the power this song has on listeners.

It, in part, tells the courageous story of his wife's battle with cancer, a disease that ultimately claimed her life. As Program Director, I listen to dozens of CD's every week. After a while, frankly, one can sort of run into the other.

But every so often, a song will come on the CD player than makes you stop and listen. "When Superheroes Die" is that song.

Listen to the words...

Best Regards,
